

CollimatorLib/telescope.h

```
graph BT; A[CollimatorLib/proccessingproperties.cpp] --> C[CollimatorLib/telescope.h]; B[CollimatorLib/telescope.cpp] --> C;
```

A diagram illustrating the relationship between three files in the CollimatorLib directory. At the top is a header file, 'CollimatorLib/telescope.h', enclosed in a gray box. Below it are two source files: 'CollimatorLib/proccessingproperties.cpp' on the left and 'CollimatorLib/telescope.cpp' on the right, both in white boxes. Two blue arrows point from the top of each source file box up to the bottom of the header file box, indicating that both source files include or depend on the header file.
